ANUS-RECTUM-SIGMOID COLON:

Harry Ellicott Bacon, M.D., F.A.C.S., F.A.P.S., F.I.C.S., F.R.S.M.
 Professor and Head of Department of Proctology, Temple University Medical School and Hospital, Philadelphia.

New, third edition of a source book of authority — covering the extensive advances in the field within recent years — with changes even in some basic concepts. A wide range of new material — including an important contribution reflecting progress in surgical techniques with abdominal colostomy. Magnificent illustrations supplement the text. All inclusive and authoritative — may well become the standard source book in its subject.

New 3rd Edition, 2 Volumes. 1,125 Pages, 755 Illustrations with 19 Color Plates

Price \$32.50.
